NIGHT TO UNITE! TUESDAY, AUGUST 5

Please join your neighbors across Centerville, Circle Pines, and Lexington on Tuesday, August 5, 2025 for the Night to Unite in Minnesota. Sponsored by the Minnesota Crime Prevention Association, AAA of Minnesota/Iowa, and local law enforcement agencies, Night to Unite will celebrate and strengthen neighborhood and community partnerships.

Night to Unite is designed to:

1. Get to know one another in your neighborhood;
2. Promote strong and safe neighborhoods and communities;
3. Build neighborhood involvement by bringing police and communities together; and
4. Bring awareness to crime prevention and local law enforcement efforts!

The Centennial Lakes Police Department would like to encourage neighborhoods to get together between 6:00 p.m. and 9:00 p.m. on August 5th, 2025 to help strengthen our communities. Chief James Mork says “Community safety is a top priority for the Centennial Lakes Police Department. If people know their neighbors, they can better identify suspicious activity and call 911 to report it. Night to Unite provides a welcoming setting for police officers and firefighters to connect with members of the community in a way that builds and strengthens relationships.” Chief Mork continued, “The best crime prevention resource we have is the eyes and ears of citizens looking out for each other. Connected neighborhoods equals safer neighborhoods.”

For more information pertaining to Night to Unite or how to get involved, contact Community Service Officer Mara Smith, Night to Unite coordinator at (763-784-2501) or at msmith@clpdmn.com.

Library News Centennial Branch

July is here and we hope no matter how fast your summer is going you're making the most of every day. We are busy here at the library, and with that in mind, here is some of what is happening this beautiful summer month:

Summer Adventures: GLOBAL TREK

This year, the Anoka County Library Summer Adventures Program runs June 1 to August 16. People of all ages can participate in the program by tracking their minutes, sharing book reviews, and engaging in activities that foster STEM, art, literacy, and community engagement.

The primary way to participate is by registering on "Beanstack" (anokacounty.beanstack.org). Kids and teens (under 18) receive a free book after recording just five hours of reading. There will also be prize drawings throughout the summer for participating, so make sure to track minutes and record the activities. Even better, send a "Friend" request to a family member or friend and compete and compare your reading and activities together! Adults, you can win prizes too! For more information, pick up your "Passport to Adventure" at a library, then travel to all eight locations to get it stamped! We're celebrating Rapa Nui at Centennial, so come learn about the island and its giant Moai statues.

BBQ Safety

Centennial Fire Department

According to the National Fire Protection Association (NFPA), on average, 10,600 home fires are started by grills each year. July is the peak month for grill fires, but these incidents occur throughout the year.

To safely enjoy outdoor cooking, it is important to only use charcoal barbecue

grills outdoors, position the grill well away from siding, deck railings, and out from under hanging trees, and keep children and pets at least three feet away from the grill area.

To reduce the risk for a fire, never leave your grill unattended. Always stay and look when you cook!

To prevent fires, keep grills clean. Remove grease or fat buildup from grills and in trays below the grill after use. Roughly one of every five grill fires occur due to improper cleaning.
