Library News Centennial Branch

Much like the paddling of ducks, the Month of May can look pretty calm at the library. But behind the scenes, we'll be paddling like crazy! Lots of school tours and backroom prep for Summer Reading will be keeping us busy. We know that our community will be just as busy as the school year ends and summer plans begin. With all that being said, here is some general information for you to hold on to this month.

Storytimes

There are NO Storytimes in May. Storytimes will resume the week of June 1st and run through August 14th. Please check back for registration information.

Adults

Centennial Bookclub for Adults. There is NO bookclub this month. Join them NEXT month when they will be discussing *Atmosphere: A Love Story*, by Taylor Jenkins Reid (Monday, June 22nd, 6:45pm-8:00pm).

Expanding Access to Life-saving Naloxone in Anoka County

Anoka County's Opioid Solutions Initiative (ACOSI) has partnered with local organizations to place nasal naloxone (Narcan) with more than 500 AED units across the county. Naloxone is a safe, easy to use medication that can rapidly reverse an opioid overdose if administered promptly. Because opioid overdose is a leading cause of accidental death, having naloxone available alongside AEDs helps ensure quick access to this lifesaving tool. If you know of an AED location that does not yet have naloxone and would like to request a free supply, please contact opioids@anokacountymn.gov.

ACOSI also encourages individuals to have naloxone on hand. More than 30 naloxone access sites are available throughout Anoka County where anyone can walk in and pick up free naloxone and fentanyl test strips. A map and list of locations can be found at <https://www.facesofhopeanoka.org/resources#pickup>. Naloxone is not addictive, cannot be used to get intoxicated, and will not cause harm if given to someone who is not experiencing an opioid overdose. Minnesota state law allows anyone to carry and administer naloxone making it an important tool for community safety.

Cooking Fire Safety

Cooking is the leading cause of home fires, but a few simple habits can help keep everyone safe. Stay in the kitchen while cooking and keep flammable items – like towels, paper products, and oven mitts – away from the stove. If a grease fire starts, never use water. Instead, turn off the heat and carefully cover the pan with a lid or baking sheet if it's safe to do so.

Have a fire extinguisher nearby and know how to use it. When in doubt, get out and call 9-1-1. Safe cooking starts with staying alert in the kitchen! SBM Fire is happy to help teach you how to use a fire extinguisher or answer home fire safety questions. Call 763-767-4003 for more information.

Fire Regulations for the City of Circle Pines

- √ The fire can be no larger than three (3) feet in diameter measured from the inside of the fire ring.
- √ The fire ring should be completely surrounded by noncombustible and non-smoke or odor-producing material either of natural rock, cement, brick, tile, blocks or ferrous metal only.
- √ Use only clean, dry wood and do not burn leaves.
- √ The fire ring must be depressed below ground, on the ground or on a raised bed.
- √ The height of the fire should be no more than three (3) feet.
- √ The fire cannot be within twenty-five (25) feet of any structure.
- √ The fire should produce little detectable smoke, soot or odor beyond the property line.
- √ The fire must be extinguished completely when it is done being used and a device for doing so should be at the fire scene such as an extinguisher, sand or a hose.

Please remember to be courteous of your neighbors when enjoying your recreational fire and to follow all burning bans.

√ Fires can
